Dear Mrs Park,

Please hold a collection this Sunday to support the families who urgently need your help following this disaster.

More than 1.5 million people have been affected by the earthquake and tsunami in Indonesia, which have killed at least 1,350 people people and left an estimated 48,000 displaced.

The devastating toll of death and displacement is set to rise in the coming days and we need to respond now, so that immediate, life-saving needs are met.

Prayer resources

Pray with us to support those whose lives have been torn apart by the Indonesian earthquake and tsunami, and for those who are working hard to save lives under unimaginable circumstances.

Christian Aid has joined the rest of the Disaster Emergency Committee to raise urgent funds. We are already working through ACT Alliance, with our partners on the ground: our sister agencies Yakkum Emergency Unit, Church World Service and Pelkesi are supporting the delivery of food, shelter, clean water, sanitation and other relief supplies to Palu and Donggala. Please hold a collection this Sunday to support the DEC appeal and help the recovery effort.

Thank you in advance for your generosity,

Nick Guttmann
Head of Humanitarian Division
