Dear Friends

Talking to one another is really important. One way we do that is through the quarterly newsletter. So please take a few minutes to read it and then encourage others to read it. Also, the newsletter will only be as good as the things you send to go in it. So, let’s hear your stories. I know there are great things happening across our Circuit, so please remember to send in your stories and pictures to Julie Greenslade so that we all get to celebrate with you but also to learn from each other about what works and indeed what you have tried but has not yet worked. I am keen for us to really focus on mission, outreach, discipleship and worship in every little pocket of our beautiful circuit. So, I have 3 key phrases for us to concentrate on in the next few months:

Walk with Jesus
Witness to others
Worship the Lord

These are taken directly from our Circuit Mission Statement.

How are we walking with Jesus in our chapels in our communities in our house groups? Please share your stories. In what new ways might you like to walk with Jesus?

How are we witnessing to others? Please share your stories. What new ideas would you like to explore?

In what ways are we worshipping the Lord? Please share the variety of worship services and opportunities that you are involved with. Are there new styles that you may wish to develop?

If only we had a little bit of extra money to try that! Don’t be put off, small amounts of ‘seed project’ money can be made available.

So, let’s see where God will lead us as we enter 2020...

With God all things are possible! (Matthew 19: 26)

I am hopeful for our future together.

With Every Blessing *Rev Melanie*
Do you enjoy the newsletter? Have a story or any photographs that you would like to include in the next newsletter?

It's very exciting that the schools would like to continue with the Easter Tingle again this year.
Would you like to help out for a morning or afternoon?
Monday 30th March, Tuesday 31st March, Wednesday 1st April or Thursday 2nd April.
Just let me know which day could help out, and whether morning, afternoon or both. Just one session will really help take the good news of Easter to local children.
Please do pass this information on to anyone else who may be interested in helping.
Thank you so much,
God bless, Rachel

The beginning of Advent 2019 found 22 volunteers from across the circuit cutting out stars, sticking sheep together and folding paper doilies to make angels. This was all in aid of ‘Making Christmas’ with about 160 children from local schools.
The sessions started thinking about the gifts God has given us and how we have spoilt the world God made. We wondered what God might do about this. To start to answer the question each child made a Christmas box and the items to go inside it. We came back together to tell the Christmas story and find out that God wanted to make the world a better place and so sent his son, Jesus, into the world at Christmas.
Everyone was able to take home their Christmas Box and a booklet so that they could share the Christmas Story at home with family and friends.

Thank you to everyone who helped. If you think you would like to join in with sharing the Christian message to local children the Easter Tingle sessions are taking part again this year and all volunteers are welcomed with open arms.
Contact Rachel for more information. richmondschoolsandfamilies@gmail.com

In Memory of Mike Pledge

My grand daughter Hannah Hughes has a place to run in the London Marathon in memory of her Grandpa Mike and her chosen charity is Action for Children which was one Mike supported through various activities never failing to turn out carol singing whatever the weather.
As one of her fundraising events Fourum will be performing in a concert "Singing the Dales" at West Burton Chapel on Wednesday 18th March at 7pm. Tickets £8 from Julie Pledge 01969 663481.
This Folk Group have been entertaining audiences since 1972 in song and verse portraying the characters, history and legends of the North Yorkshire Dales. They have appeared in local and national radio and television. Appearances too in the Swaledale Festival. They have produced a book, discs and videos.
Please come and support us and have a jolly good evening.
Julie Pledge
Faithworks 2020

Bible Month in June offers churches the opportunity to focus on one specific book from the Bible. Previously Jonah, James and Colossians have all been under the spotlight. The book this year is based on a story of refugees suffering death, starvation and exploitation; our heroines survive through their love and loyalty to each other. Do they make it back to their homeland and find happiness? Read about it in the book of Ruth.

To take our learning further in July there will be a workshop at Richmond Methodist Church. With all sorts of creative materials provided, Alan Cous-tick and Kevin Pellatt will help you dig into the issues presented by the story of Ruth, issues that are very relevant in our world today. We hope the story will inspire you to respond in a creative way and the workshop will provide space for you to do this.

Previous workshops have produced poems, pictures, various works with textiles, photographs and sculptures; and many other items. More importantly they have given space for people to reflect on the bible, the message within and grow in their faith. You can see some of work on this link: http://www.teesdalemethodists.co.uk/creative-arts-workshop.html#

Good Friday Walk

The Good Friday walk has become a regular feature in the lives of many. The event is a walk of reflection; stopping to observe key points of the Holy Week story of how Jesus was betrayed and eventually crucified on what is known now as Good Friday. We begin in the morning at Keld URC chapel and follow the 'Corps Way' down Swaledale. There is a short lunch break at Gunnerside Methodist chapel before we march on to indulge in hot cross buns and a short teatime service at St Andrew's church Grinton. It is an opportunity to enjoy fellowship with others and to re-

Talking God

I know many of you have a heart to grow your chapel in terms of numbers and strength. There are three publications you may be interested in to help you with this. Like buses, having missed one you wait a while and then two come along at the same time. They are all published by the Methodist Church and just for the record I'm not on commission! So, last year we had 'Talking of God Together'; and then more recently 'Talking of God with Others' and 'Our Church's Future Story'. Both of the 'Talking of God...' books are suitable for use in a variety of contexts; such as House Groups, Local Arrangement Services, Lent or Advent groups and café style worship. They are both set up in easy to use sessions that need only a little preparation.

The 'Talking of God Together' helps us to talk of our faith to fellow Christians and was used for Lent groups last year by Christian's Together in Swaledale; we're still talking to each other so it can't have been too bad! 'Talking of God with Others' is the next step; it's sessions are designed to give us confidence in our faith stories, so we become more confident in talking naturally about our faith to those we meet in our everyday lives. 'Our Church's Future Story' is described as a resource to help churches plan for the continuation of their mission. This is more of a toolkit; as a church 18 cards are available to help you to plan how you want to respond to 'Our calling' including how to manage difficult conversations and work out how to grow your church in numbers and strength.

There are DVD's, course guideline books and group packages available, yes, they cost and in my view they are great value; especially if you can catch the publishers on a free post and packing day.
Calendar
