

A Good Life Project – Vision 2028

Drop in Café

***By 2028 Yorkshire's Upper Dales will be the best place to grow old in England!
We need your help to make this happen.***

You are warmly invited to a drop in café for a chat about what makes living in the Dales so special, what activities you enjoy, what facilities and services you feel are necessary for us to consider as we get older.

Please come along and have your say – you can complete a survey and let us know your views.

This will help us to ensure we have the views of members of our communities on what facilities and services they need within The Dales.

What is the project about?

A Good Life will work with older people, volunteers, community groups and other partners to find out what makes life for older people good, looking at what works and then trying to do even more of that. We will use creativity to bring good ideas to life and do more of what is already working well. We will be asking people about health, leisure activities, hobbies, getting about, everyday life and more.

Venues:

Hawes

The Market House
31st October 2018
10.00am to 5.00pm

Askrigg

Askrigg Foundation
Shop
3rd November 2018
10.00am to 3.00pm

Bainbridge

Sycamore Hall
5th November 2018
9.00am onwards

Muker

Muker Village Hall
13th November 2018
10.30am – 4.00pm
