

Dear Parents,

Due to the restrictions and health concerns caused by the Coronavirus pandemic this summer we offer you **'King's Club by Post.'**

We will post out a craft pack containing everything your child will need to make the activities linking to the King's Club theme for each day of the week. Colouring pencils, paper, glue etc. The only thing you will need to find for the crafts is a pair of scissors!

We will also email you suggestions for on-line video clips covering the Bible Stories for the week, song suggestions and craft instructions.

We will send some ideas for outdoor activities linked to the theme for those who want something a bit more energetic.

Activities and crafts are aimed at primary school aged children, with some complicated items and some easy ones on each day.

We aim to get packs out to you by mid to late July.

To register for a 'King's Club by Post' pack please email the information requested below to Rachel Pinkney, Schools and Families Worker at richmondschoolsandfamilies@gmail.com

Please send King's Club by Post pack(s) to:
