

Dear Parent

We are so excited to be able to offer you **'King's Club Extra by Post - Together Apart'**, which is available free of charge for anyone to engage with from school years 6 to 11.

It will consist of two parts. The first part involves a pack being posted to your young person, which will contain: a daily discussion topic aimed to engage them in thinking about Christianity, some craft options, ideas of games that you could play together, some other surprises and things we think you will need!

The second part involves us sending you an email containing YouTube links to videos that support the daily discussion, challenge Shaun (plus other challenges) and craft instructions. Finally a link to Dropbox which will have more content in it.

Our theme for the week is Together-Apart and we will be looking at some big questions around Jesus, faith and trust, as well as focusing on maintaining a positive well-being, especially during this time.

We aim to get the packs out to you by late July.

To register for 'King's Club Extra by Post' simply email/post the completed form opposite to Heather Sowerby.

Extra

by POST

Together - Apart

For school years 6 to 11

Please send the King's Club Extra by post pack to:
